Re: Applications for Transfer of Control of Hispanic
Broadcasting Corp., and Certain Subsidiaries, Licensees
of KGBT(AM), Harlingen, Texas *et al.* (Docket No. MB
02-235, FCC File Nos. BTC-20020723ABL *et al.*)

Dear Ms. Dortch:

Transmitted herewith on behalf of the National Hispanic Policy Institute, Inc., we are filing an additional 2,650 individual petitions from Hispanic Americans opposing the proposed Univision-Hispanic Broadcasting merger.

The petitioners oppose the proposed merger because it will limit opportunities for Hispanic Americans to receive diverse news, information, and cultural programming. As the petitions state, "The merger will damage our culture, limit editorial voice, and limit competition in advertising, which will hurt Hispanic-American small businesses. It will also make it more difficult for Hispanic-Americans to start their own companies in radio, television and other media-related areas."
